

ORIENTAL BLOSSOM

A hand painted watercolour floral piece, the Oriental Blossom pattern wanders across Burlington's traditional ceramics in a natural, graceful way. Featuring soft and translucent colours with hints of real gold, the elegant bespoke design offers a true feeling of uniqueness, as the pattern is applied by hand to each individual piece. With a delicate nod to the design featuring on the base of the pedestal and foot of the WC, Oriental Blossom is guaranteed to add a subtle floral sophistication to any bathroom suite.
