INSTALLATION INSTRUCTIONS

## INSTRUCTION

Please read these instructions carefully and keep in a safe place for further reference.  
 The product is 100% brass nickel/chrome plated with polished stainless steel screws.  
 The product should be cleaned with soapy water followed by rinsing with clean water and drying with a soft cloth. All finishes are vulnerable to acid attack and some strong substances such as household cleaners, disinfectants, denture cleaners, hair dyes, wine making and photographic chemicals can cause the surface to go black or peel.

## MAINTENANCE

Avoid scratching the surface with hard objects, and do not use a coarse cloth to wipe.  
 The product should be installed by a professional, following the recommended installation instructions.
