

The background of the entire image is a close-up, horizontal view of a wood grain. The wood has a warm, golden-brown hue with prominent, slightly wavy vertical grain lines. There are some darker, more textured areas interspersed with the smoother, lighter sections, giving it a natural, organic appearance.

STRAND

COLLECTION

Burlington®

HERITAGE BEAUTIFULLY REIMAGINED FOR MODERN LIVING

The Strand collection captures a renewed appreciation for the rich décor of the past. Rooted in the expressive character of design heritage, Strand draws on a rich palette and an evolving aesthetic, featuring refined detailing for a timeless appeal.

Like its namesake, Strand stands at the intersection of heritage and innovation, shaped by an evolving landscape while honouring the character of the past. Woven through every detail is the blending of contemporary pieces enriched with familiar form, evoking timelessness and a sense of “being outside of time”. Its inspiration lies in the refinement of historical designs purified through contemporary sensibilities to preserve the essence of the past while feeling distinctly current.

Strand represents the very best of heritage design, thoughtfully evolved for today's homes and lifestyles. Strand is therefore not only a collection but a narrative of continuity, craftsmanship and timeless character.

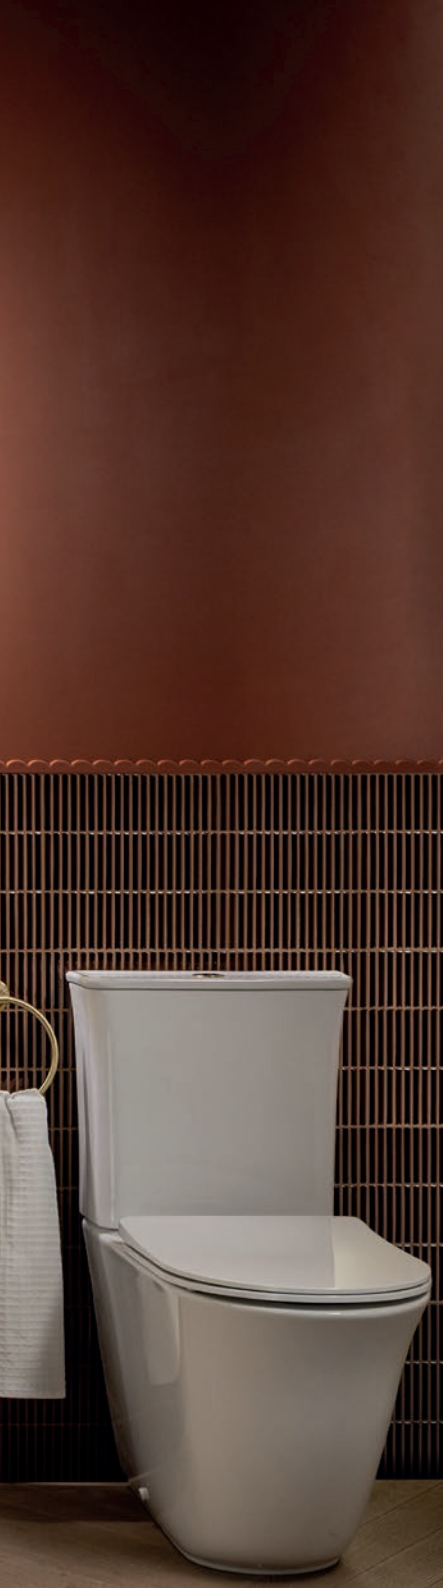

TECHNICAL DIRECTORY

The Strand collection blends the character of heritage design with contemporary sensibilities, giving you refined detailing across every corner of the bathroom.

FURNITURE

Strand furniture is available in a choice of three widths, ranging from 600mm to 1000mm, and four finishes, including painted Matt White, Light Taupe, Spruce Green, and a real wood veneer Light Oak.

Each unit is supplied fully assembled for easy installation, complete with our NANO Glaze ceramic basin for an ultra-smooth finish. The soft-close, pull-to-open drawers offer a choice of three handle finishes that perfectly match your chosen brassware.

Matt White

Light Taupe

Spruce Green

Light Oak

All Strand drawer fronts are made from real wood veneer. The painted finishes receive three coats for a glorious depth of colour with realistic wood grain texture, then are finished with a UV protective lacquer to minimise colour fading from exposure to sunlight.

WALK INS

A walk in shower enclosure brings a distinctly current edge to any bathroom, whether it's traditional or transitional. Crafted from 8mm toughened safety glass, Burlington's walk in collection pairs beautifully with Strand's refined design. With a choice of bracing bar options, configurations and finishes, it's easy to shape a showering space that feels entirely your own.

WCs

Strand's rimless toilets combine our stay-clean NANO Glaze coating, six times smoother than standard ceramic, with the quiet power of HydroSwirl flush technology. Choose from close coupled, back to wall or wall hung designs, finished with soft-close seats that pair with a flush plate or button in Chrome, Brushed Nickel or Brushed Brass.

nano**GLAZE**

All WCs have a unique stay-clean NANO Glaze coating, creating an ultra-smooth surface, six times smoother than standard ceramic.

HYDRO**SWIRL**

All toilets have a super powerful flush that is quiet and virtually splash-free. An asymmetrical rimless inner allows the water to flow in a swirl around the bowl, ensuring a cleaner surface and a more efficient flush.
